

Mixer Night Rules

We will be playing a 4 person team best ball scramble. Each team member will hit their shot and the team will determine whose shot is in the best position for the next shot. All team members will pick up their ball and move it to the position of the team member's ball who had the best shot. Then all 4 players will shoot again and determine the best position for the next shot and so on until the hole is complete. Additional rules are listed below:

- Greenies as usual – you must hit your own ball to get the greenie!!
- Keep the ball – each 4 person team will be given 1 special ball that will be used by 1 player per hole, then rotated to the next player for hole 2, etc. Prizes given for the team that finishes the round without losing the special ball.
- We will raffle off prizes at the end of the round.
- Longest drive – ladie's and men's will be on #9 and #18. Your ball must end up on the fairway from the tee box to be considered for this prize. Prizes will be given to 2 ladies and 2 men for this contest. (We will need the last group on each side to pick up the longest drive markers and return them to the clubhouse after the round).

All ties will be broken in the clubhouse after the round (using 50/50 raffle tickets). See Terry O'Brien if you have any questions.

Have fun!!

Terry
